

Alexandria Gazette.

FRIDAY, EVENING, OCT. 20, 1905.

Local Matters.

Sun and Tide Table.

Sun rises tomorrow at 6:15 a. m. and sets at 5:15 p. m. High water at 12:20 a. m. and 12:52 p. m.

Weather Probabilities.

For this section partly cloudy and much colder to-night. Saturday fair, much colder; fresh to brisk west to northwest winds.

Wall Acquitted.

Arthur Wall, president of the Maryland Telegraph Company, of Kenilworth, Md., was acquitted by a jury in the Circuit Court at Upper Marlboro yesterday after a trial which had lasted two days. The indictment charged him with conducting an enterprise in violation of the poolroom statute of Maryland. The case, which has finally resulted in a verdict of "not guilty," was set on foot by Allen W. Mallory and other members of the Kenilworth Citizens' Association to determine the legality of the sending of money by telegraph for the purpose of betting on horse races. The Maryland Telegraph Company is a regularly chartered telegraph company under the laws of the State of Maryland, and it was contended by Wall and those associated with him that no gambling was allowed on the premises, and that the manner of sending money-order telegrams adopted at Kenilworth was in keeping with the rights of his corporation. It is believed that the State will drop the prosecution of similar indictments against Wall. The latter was represented by Mr. Robert W. Wells and James C. Rogers, of Hyattsville, and Mr. Edmund Burke, of Alexandria, while the interests of the State were looked after by State's Attorney Hampton Magruder and Mr. T. Van Clagett as special counsel.

Fight at a Ball.

There was excitement in the colored Odd Fellows' Hall, on South Columbus street, about two o'clock this morning during the last act of a ball which had been given in that building. Four men and one woman were the participants, and when Joe Mitchell, the floor manager, and another colored man named Brooks, who gave the ball, endeavored to restore order there were attempts to mob them. Officers Bettis and Nicholson appeared at an opportune time, but their badges were not more respected than that worn by Mitchell. The darkies crowded about the officers in a menacing manner and when Officer Nicholson attempted to place one of the belligerents under arrest a woman seized him. He shook her off and threw a negro man to the floor during the melee. The two officers finally took charge of four men and one woman. Officer Nicholson's watch disappeared during the conflict, but it was subsequently found by Officer Bettis on the opposite side of the room. The prisoners were brought before Justice Caton this morning and fined \$5 each.

D. A. R.

The ladies of Vienna and vicinity formed the first chapter of the Daughters of the American Revolution in Fairfax county Saturday evening last. The meeting, which was held at the home of Dr. B. W. Summy, at Vienna, was presided over by the State regent, Mrs. Eleanor Washington Howard, and was well attended by those interested in the organization. After an informal discussion of the object of the chapter its formation was perfected and the following officers were chosen: Mrs. Geo. E. King, regent; Mrs. Franklin Sherman, vice regent; Miss Mary Huntington, recording secretary; Miss Marjorie Sherman, corresponding secretary; Mrs. A. G. Coumbe, treasurer; Mrs. B. W. Summy, register. This chapter of the D. A. R. will be known as "Fairfax County Chapter," and its formation is largely due to the energy of Mrs. M. F. Gibson, a member of Western Reserve Chapter of Ohio.

Suspect Dismissed.

A colored man who was in charge of a horse and wagon early this morning caused some people living in West End to suppose that he had chickens in his possession to which he had no clear title. He was seen to take the fowls from a bag and place them in a coop. A telephone message was sent to the station house and Officer Smith was sent after the man. He soon found the object of his search and conducted the suspect to the station house. The latter said he had previously taken the chickens from the coop and put them in a bag in order to clean the coop, and the act of restoring the chickens to their former quarters had excited suspicion. He told a plausible story which showed he had come by the chickens honestly, and requested the officers to telephone to a resident of Fairfax county and he would corroborate his statement. The suspect was dismissed.

Brutal Assault.

Peter Sims, colored, was before the Police Court this morning charged with brutally assaulting Emily Jasper, also colored. The offense was committed early last night in the "Petersburg" neighborhood. Officer Allen appeared on the scene and helped the woman into a near-by house. She had been knocked down by Sims and lay among the weeds for some time, being unable to regain her feet until after the arrival of the officer. Sims was fined \$10. Several pistol shots were heard in that quarter of the city a night or two ago, and the complaints of quiet people living in the vicinity have become chronic.

Judgment for Defendant.

Justice of the Peace O'Neal, of Washington, has stated that he will render judgment in favor of the defendant in the cases of John Inniss and Lester H. Murdock against the E. S. Randall Steamboat and Excursion Company. The suits grow out of the leaving of a number of excursionists at Colonial Beach one day last summer because the capacity of the steamboat aboard which they expected to return to the city was overtaxed. Each of the plaintiffs claimed that he was damaged in the sum of \$100 by reason of the defendant company's failure to transport him home, as he had expected.

Captain Appointed.

Second Officer C. B. Milburn of the steamer Washington, of the Norfolk and Washington line, has been appointed captain of the new ferry steamer Woodbury, which will be placed on the route between this city and Washington on the first proximo.

Applicable to all Cities.

The Mayor of Denver, Col., recently issued certain suggestions to the people of that place. They are equally applicable to Alexandria.

If your store front, residence or fence is dingy, order it painted.
If your awning is old, torn or faded, get a new one.
If your sidewalk, gate or fence needs repairing, fix it.
If your advertising sign is old and faded, take it down or paint it.

Take all dandelions out of your lawn—they spoil its beauty.
Destroy the young weeds that are starting on your property and on your neighbor's property.

Burn all the rubbish possible—allow no one to throw it on streets, alleys or vacant lots.
Promise not to spit on the sidewalk.

Organize a block improvement society, and allow no weeds to grow on sidewalk, area or vacant property in your block.

Ask your milkmen, grocers and expressmen to have their wagons painted. Irrespective of the size of your house, make your lawn the finest.

Illuminate the front of your store in the business season.

Every effort put forth or dollar spent to improve our city's appearance will be returned twofold.

There are always chronic complaints of dirty alleys, ash heaps, weeds and other unsightly things to Alexandria. It is impossible for the street men to be everywhere at the same time, and some people, failing to realize this, make the Mayor's position a burden to him by taking up his time with useless details. If all would act on the suggestions made by the Mayor of Denver much could be done toward aiding the authorities in sanitary work.

Police Court.

[Justice H. B. Caton presiding.]

The following cases were disposed of this morning:

Dora Dunlap, colored, arrested by Officer Henderson charged with destroying property of Agnes Little, forfeited \$5 collateral by failing to appear.

Wm. Taylor, colored, arrested by Officers Bettis and Nicholson charged with breaking into the home of Mary Francis and assaulting her, was fined \$10.

Emma Carter, colored, arrested by Officer Bell charged with disorderly conduct, was dismissed.

Miss Sachs, arrested by Officer Smith charged with larceny in Washington, was turned over to the authorities of that city.

Peter Sims, colored, arrested by Officer Allen charged with assaulting Emily Jasper, was fined \$10.

Four colored men and a colored woman, arrested by Officers Nicholson and Bettis charged with disorderly conduct, were fined \$5 each.

Joe Higgins and Samuel Otis, arrested by Lieutenant Smith charged with disorderly conduct, were fined \$2.50 each.

Sally Dixon, arrested by Officers Bech and Lyles charged with abusive language, was dismissed.

Two small white girls, charged with assaulting other children, were dismissed with an admonition.

Howard Skelton, colored, charged with driving a team over Lucy Cupid, was dismissed.

F. L. Wagar has entered suit against F. F. Marbury et al. for specific performance of contract in the matter of the sale of a house and lot on the north side of Prince street between Royal and Pitt.

Charge Dismissed.

Lucy Cupid, colored, was standing on upper King street yesterday bidding adieu to friends who had boarded an electric train. She was walking backward at the time and a carriage coming along the front wheel collided with her hip and in the twinkling of an eye placed her in a sitting posture in the road. The woman seemed to suffer more from indignity than physical injury, and proceeded to the station house where she swore out a warrant against Howard Skelton, colored, who was driving the team. In the Police Court this morning Skelton said he was conveying two passengers to the new union depot, and at upper King street, where the accident occurred, the road is narrow and that the woman walked backward into the carriage. Skelton was dismissed.

Opera House.

Considerable interest is shown in the announcement of the engagement of the Arnold Stock Company to play at the Opera House for one week, commencing next Monday night. This company has played here before and made many friends, as their shows are the best seen in this city at popular prices. The company this season is stronger than ever and carry some excellent vaudeville artists. On Monday night the sensational melodrama, "A Daughter of Satan," will be produced. The company carries a carload of scenery for its productions.

Cow Stolen.

A cow was stolen from Mrs. Downey, at Spring Bank farm, across Hunting creek, last night. The authorities were notified this morning the cow was found at the slaughter house near Arlington where it had been purchased. Those in charge of the slaughter house said the cow had been brought there by a soldier from whom it had been bought.

Smith, of Fairfax, Va., had incurable consumption, his last hope vanished; but Dr. King's New Discovery for Consumption, Coughs and Cold, kept him out of his grave. Pear-Apple.

Mr. R. W. Blair, who has recently been in Culpeper county, called at this office today to show a remarkable species of fruit which has the shape of an apple but other ways looks like a pear. It has a smooth rusty coat covered with lighter brown spots and is solid and heavy. Mr. Blair says the fruit was taken from a pear orchard. The trunk of the tree had been broken off and a shoot had grown which has borne thirteen of the pear-apples. The specimen he had he took to the Agriculture Department in Washington to find out what manner of fruit it was.

Scare in Frame Row.

A family living in one of a row of frame houses on south Patrick street caused some excitement among their neighbors about 10:30 o'clock this morning by setting fire to a mattress in the cellar. Smoke soon began to pour from the windows and persons living in other houses in the row naturally became alarmed. Neighbors, however, allayed apprehension by proceeding to the cellar and keeping the flames from setting fire to the house.

Forty-seven years ago yesterday the first college Young Men's Christian Association in America was organized at the University of Virginia. John W. Johnson, engineer of Fort Sumter and historian of the defense of Charleston, was its first president, and the first recording secretary was L. M. Blackford, of the Episcopal High School, near Alexandria. Among the founders were the late Bishop Thomas A. Dudley, of Kentucky; Dr. J. William Jones, of Virginia; Dr. Thomas Hume, of the University of North Carolina, and the late Dr. Thomas B. Price, of Columbia University.

Yesterday the splendid new Young Men's Christian Association building, built through the munificence of the late William E. Dodge, of New York, and his widow was presented to the university. Mrs. Dodge's total gift amounts to something over \$60,000, and to this generous sum her son, Cleveland H. Dodge, and her daughter, Miss Grace Dodge, added \$15,000 for furniture. As completed the building and furnishing have cost \$80,000. The building is known as Madison Hall, named for President Madison.

The building was formally presented by Mr. Cleveland H. Dodge and accepted by President Alderman.

Dr. Alderman's address was followed by the dedicatory prayer by Dr. J. A. Quarles, of Washington and Lee University. The formal address was by Dr. Woodrow Wilson, president of Princeton University, who is a student days at Virginia, was an active member of the association. Dr. John William Jones, one of the founders, pronounced the benediction.
